Ingredients:

- 4 bacon slices (I used apple smoked bacon)
- 4 organic beef hot dogs (better and healthier for you -no nitrates, no additives)
- 4 hot dog buns
- 4 tablespoons of kimchi relish

Preparation:

Take one bacon slice and wrap it around one hot dog so it's mostly/completely covered with bacon. In a large sauté pan over medium high heat, cook your bacon wrapped hot dog until it's brown and crispy. Put the hot dog in a bun and top it with 1 tablespoon of kimchi relish.
